

Spin to Win Tournament Rules Sault Ste Marie and St. Ignace

1. Tournament play begins Saturday morning at 10 a.m.
2. Contestants must present their Northern Rewards card during tournament play and to redeem any tournament coupons. Players must be present five (5) minutes prior to their specified start time. If the player is not present at the start of their round they may be disqualified from that round (determined by tournament staff).
3. The tournament official will call the customer name for each round. Contestants will draw for their machine placement in each round by drawing a number. There will be one number for each machine. As the contestants draw for their seat, the customers must put in their Northern Rewards card into the machine with their drawn seat in order to take their turn. The number drawn will correspond to the numbers on the machine. Tournament officials will verify that contestants are in the correct seats before play begins.
4. The tournament will be played on identical machines. Each machine will be set at a specified number of minutes/spins at the start of each round and played down until there is no time left.
5. The accumulated points in the "Winner Paid" window will be recorded by the tournament official/DM tournament system at the end of each round.
6. Each contestant will play in a minimum of three (3) rounds up to a maximum of five (5) rounds.
7. The scores from rule #6 will then be added together.
8. The contestants with the top 10 to 18 scores (depending on participation) from 3-5 rounds of accumulated play will share the prize pool. The bonus points portion of the prize pool will be automatically downloaded to contestants Northern Rewards card once the tournament has ended. If two or more contestants are tied, they will split the prize money for those places involved.
9. \$25 Kewadin Credits for the highest score and \$75 Kewadin Credits for the lowest score will be awarded at the end of each session. Any ties will be given all the same prize that they have won.
10. Players who earn 400 points on their Northern Rewards card from opening of the Northern Rewards Club on Friday until closing of Northern Rewards Club on Saturday of the tournament weekend will be entered for three separate drawings for \$50 in Kewadin Credits each.
11. A paid contestant may have someone else participate in their place if they are unable to participate due to a disability. The tournament official will make the determination.
12. In the event of a machine malfunction, the player will be moved to another round. The player must start over.
13. The Tournament official's decisions are final.
14. All other floor and/or slot procedures are to be followed according to casino policy.
